OCCUPATIONAL THERAPY CONSULTING SERVICES

THANK YOU for granting us the opportunity to work with your kids “transforming their lives and building Independence”. Our hard work has paid off and progress is evident.

This year was filled with triumphs, minor setbacks, and growth. I am excited to see so many of your children progress in their social, fine motor, gross motor, self care, and academic skills. I am so proud of them.

As we embrace 2019, remember that each of your children are angels who were sent to brighten and influence our lives. Continue to nurture and love them with your whole heart. Don't be discouraged and don't be dismayed. Greater is coming and they will be ALL that God wants them to be.

Thank you again for giving me the opportunity to assist your children in becoming as independent as they can be.

Christmas Time

Christmas Time is finally here,
It only comes but once a year.
And it's a time to spread good cheer,
To those we love and hold so dear.

Christmas Time is a time of glee,
A time when peace and love run free.
A time for those like you and me,
To sit beneath the Christmas Tree.

Christmas Time is a time of joy,
A time to sit back and enjoy.
The smile on each girl and boy,
As they play with a Christmas Toy.

Christmas Time is a time to share,
The passing of another year.
Birth of Jesus, a joyful prayer,
To show loved ones how much we care.

Christmas Time is a time for song,
A time for us to get along.
To make us feel Lord Jesus strong,
Forgive all those who did us wrong.

Christmas Time is a time to pray,
Put love and kindness on display.
Show compassion along the way,
Christmas Time should be everyday
